# 2026 VENDOR HANDBOOK

This handbook offers essential guidelines for a safe and enjoyable market experience, helping vendors thrive. Please review the contents before applying, as it will better prepare you for a positive experience if you're invited to join our community.

## ABOUT

Established in 2002, the Golden Farmers Market (GFM) is a cherished community event in Golden, Colorado, managed by the Golden Chamber of Commerce.

We are dedicated to promoting food equity, enhancing community connections, and nurturing growth and innovation. As an incubator for local businesses, our vendors infuse life into Golden, helping our community thrive. The GFM is a hub for bringing people together, aptly described by our tagline, "Community Sprouting Growth."

The mission of the Golden Chamber of Commerce, a 501(c)6 nonprofit organization, is to enhance and promote the economic environment of the Golden Area through supporting chamber members, collaborating with businesses, city, county, state, and community resources, and putting forth efforts to improve the quality of life for the community at large.

The revenue generated from vendor sales commissions supports market operations and contributes to the economic development of the Golden community. The Golden Chamber adheres to all Jefferson County Public Health requirements and City of Golden regulations and is a proud member of the Colorado Farmers Market Association and the Farmers Market Coalition, promoting their vendor guidelines.

### Our Core Values Include:

- Food Equity
- Community Connections
- Growth and Innovation
- Incubating Local Businesses

## 2026 MARKET INFO

- WEDNESDAYS, JUNE 10-JULY 29, 2026
- 3:00 PM - 6:00 PM, rain or shine
- Golden High School- 701 24th St, Golden, CO 80401

## BECOMING A VENDOR

- Submit Application: Complete the online form found on the GFM [website](#)
- Application Fee: Pay the \$10 non-refundable application fee using a credit card.
- Deadline: Submit your application by Monday, April 27, 2026.

*After the deadline, the market management team will evaluate applications based on product standards and selection criteria outlined in this document. Vendors will be notified of their acceptance or rejection via email. Selected vendors will then need to pay the required fees.*

### Product Standards and Vendor Selection Criteria:

GFM is dedicated to offering a diverse marketplace with the highest quality, locally produced products. We prioritize Colorado or locally sourced farm, garden, and artisan products that meet our quality standards.

**NOTE:** Our focus is on supporting crucial agricultural businesses for the community, with priority given to FOOD vendors:

- Farmers and ranchers selling whole, uncut foods
- Value-added and ready-to-eat foods packaged for off-premises premise consumption
- Artisans producing essential products (e.g., pet food)

Selection criteria are based on factors such as (in no particular order):

- Product balance, variety, pricing, and event fit
- Past participation history with the market
- Golden-based businesses and/or current Chamber membership

*GFM reserves the right to use its discretion in vendor and product selection and may accept or decline any vendor or product based on marketability or appropriateness for the market.*

## Vendor Types:

When completing the online application, vendors must select and apply under one vendor type category. GFM uses these categories to track vendor types for each market and for financial purposes. Please review all vendor types before submitting your application.

## RULES & REGULATIONS

### Vendor Booths

- Vendors will be assigned a 10' x 10' booth (or additional booths if purchased) on asphalt.
- Booth assignments are made by market management and generally remain consistent week-to-week.
- The market management team reserves the right to reassign spaces for efficient foot traffic or other logistical concerns.
- Vendors should maintain a professional and visually attractive booth with quality signage to attract customers.
- Vendor tents must match the assigned booth space (e.g., a 12' x 12' tent is not allowed in a 10' x 10' booth space.)
- Vendors must stay within their booth footprint - no "hawking" or shouting to customers
- **All tents must be weighted, with 40 lbs. or more and securely attached to each leg. No hanging weights.** Bungees are not allowed to be attached from the

top of a tent to weights on the bottom. Rope/ratchets are examples of study acceptable materials. This is a requirement of fire department regulations.

- Insufficiently weighted tents may result in fines and tent removal, per the fire department
- **No electricity is available at the market.**
- Generators may be permitted with market management approval and must adhere to City of Golden noise regulations (less than 50db noise rating).
- Appropriate fire safety equipment is required for on-site cooking (e.g. fire extinguisher)
- Vendors are not allowed to bring pets, with the exception of service animals.
- Vendors must leave their booth area as clean as they found it.
- Dispose of trash, recycling, and compost in designated receptacles.

## Safety & One-Way Traffic Flow

- **All vehicles must follow the one-way traffic flow according to the provided map.** Please drive slow (5 mph) when inside the market footprint.
- Vehicles are allowed to drive to booths for unloading from 1:30 PM to 2:45PM
- Vendors must remove their vehicles from the market footprint as soon as they are unloaded and move them to the designated approved parking location.
- **All unauthorized vehicles must be removed from the market footprint by 2:45 PM.**
- No vehicles are allowed in the market area until after 6:15 PM, and only after the barricades have been removed by market management. Market management reserves the right to delay vehicle entry until the area is deemed safe for vehicles.
- **Vendors may not enter the market area before 6:15 PM.**
- **Vendors are not allowed to remove any roadblocks themselves.** Tampering with signage, barriers, fencing, or barricades will result in fines and expulsion from the market.

## Absences & Communication

- Attendance is crucial to the success of our market.
- We ask that you commit to attending all dates you are approved for.

- **If you are not able to make an assigned date for any reason, you must notify market management directly at least 72 hours in advance of any absences.**
- **If you are a no-show on any given market or you arrive late more than once, you may be asked to leave for the remainder of the season.**
- Notify market management if running late, will be absent, or experiencing an emergency that will impact participation in the market.
- **Late arrivals may be turned away and not allowed to participate in the market.**
- Late arrivals can only be accommodated with prior notice and approval from market management.
- Failure to be set up and ready to sell by 3:00 PM or tearing down before 6:00 PM will result in fines and possible expulsion.

## Fines and Consequences:

- **\$70 per occurrence, per booth** for no-shows or failure to notify of absence 72 hours in advance.
- **\$70 per occurrence** for failure to remove vehicles from the market area by 7:45, enter the market after 7:45am, failure to follow one-way traffic flow, failure to adhere to Sustainable Event Regulations, or insufficient weights
- **\$100 first occurrence** for entering the market area with a vehicle prior to 1:15 PM, or tampering with signage, barriers, fencing, or barricades. These infractions are grounds for immediate expulsion from the market.
- \$50 late arrival, tearing down early, not cleaning booth area
- **Fines may result in eviction from the Golden Farmers Market.**

## SUSTAINABLE EVENT REGULATIONS

The City of Golden is striving to ensure that special events are as sustainable as possible and to reduce solid waste by 80% by 2030. We need your help as a vendor to make that happen. Events, just by their nature, produce an excessive amount of waste – half of which is from food service ware.

Please review the [City of Golden Sustainable Event Regulations](#) found near the bottom of this page designed to lessen the environmental impact of events and to educate organizers, vendors, and attendees about sustainable practices.

## Waste Diversion

GFM will not be providing large trash/recycle dumpster bins. Please come prepared to pack out what you bring in. Golden High School does have dumpsters for use behind the school but they are a small hike to get to or a short drive.

### No Styrofoam or Polystyrene Products

City of Golden permitted events strictly prohibit the use of Styrofoam or Polystyrene food service ware, including clamshells, cups, and plates. **Vendors who arrive on the day of the event with Styrofoam products will be asked to leave the market.**

## Acceptable vs Unacceptable Drink Service Items

| Allowed  | Prohibited   |
|--|--|
| Provide drinks in recyclable containers, for example: <ul style="list-style-type: none"> <li>• Plastic Bottles</li> <li>• Aluminum Cans</li> <li>• Glass Bottles</li> <li>• Juice Boxes (tetra paks)</li> <li>• Clear Plastic Cups (#1 or #2)</li> </ul> | Do not provide drinks in any of these containers: <ul style="list-style-type: none"> <li>• Styrofoam cups</li> <li>• Plastic Cups (#3, #4, #5, #6 or #7)</li> <li>• Paper Cartons (e.g. Milk Cartons)</li> </ul> |

\*Note that all paper cups for hot beverage service should be put in the trash, as they are NOT recyclable. Being a sustainable event relies on our vendors understanding their responsibility to use acceptable service ware items.

## Vendor Sustainability Checklist

### Before Market

- Use paper or compostable service ware items.

- Absolutely NO Styrofoam. Vendors that arrive on market day with Styrofoam will be asked to leave.
- Avoid single-serving condiments (mustard, ketchup, mayo, sugar, etc.) – opt for bulk dispensers instead
- Train staff on sustainability regulations

### During Market

- Know which items are recyclable and acceptable to the waste hauler
- Break down and flatten cardboard boxes and use designated recycling bins/locations.
- Pizza boxes are NOT recyclable and should be placed in the trash
- Offer single-use plastic bags only upon request. Please note that as of 2024, State law restricts single use plastic bags. You can read more about it [here](#).
- Turn off vehicles while loading and unloading to reduce GHG emissions; no idling if you have a vehicle on site
- Encourage the use of the water bottle filling station for event employees.

## Public Health Regulations

GFM falls under the purview of Jefferson County Public Health (JCPH). Vendors must comply with all JCPH regulations. For vendors serving food or food products, this includes having appropriate washing stations, proper food handling (e.g. use of gloves), and proper refrigeration for applicable food products. Vendors must practice all current COVID-19 precautions as required at the time of the market (if applicable). For more information, refer to the contact information provided below.

## Professional Conduct

Vendors are expected to uphold a professional demeanor at all times during the market. Any instances of profanity, vulgarity, or rude behavior will not be tolerated and may lead to expulsion from the market – with no refund of any paid fees. If a vendor encounters an issue with another vendor or customer, they should immediately notify the on-site Market Manager or call a GFM representative on the Contact List found at the end of this handbook.

## On-Site Market Assistance

Golden Chamber of Commerce volunteers, along with Market Managers, will be on-site to provide assistance as needed. If you require help, please ask the Market Manager, who can then delegate appropriate volunteers to assist you.

## Weather Conditions

The Golden Farmers Market operates rain or shine! Please come prepared for the ever-changing Colorado weather. In the event of a severe weather emergency, you will be informed on how to proceed.

## LICENSING REQUIREMENTS

Vendors must provide the following documentation prior to the first market day. These documents must be uploaded online as instructed and vendors must have copies of all licenses available for inspection at all times.

### □ Insurance Certificates of Additional Insured

**All vendors must have valid insurance to participate in the GFM.** Upon approval of your application, you must provide a Certificate of Additional Insured with minimum coverage limits of \$1,000,000. The Golden Chamber of Commerce must be listed as the only Additional Insured, as follows:

**Golden Chamber of Commerce  
1010 Washington Avenue  
Golden, CO 80401**

### □ JCPH Temporary/Special Events Retail Food Vendor License

**Food vendors** must obtain approval from JCPH to operate at a temporary/special event in Jefferson County. Vending at a temporary/special event may not require a license if you are a mobile unit licensed through the State of Colorado, are a registered wholesaler, Cottage Food vendor, or serve exempted foods.

Contact JCPH if you are unsure if a license is required. Applications for approval must be submitted 14 days prior to your first event. Approvals cannot be guaranteed for any applications submitted after this time period.

Access *Form 3610 - Temporary Food Service Events Vendors* application [here](#)

### □ **Certificate of Inspection from FMAC**

**Food Trucks** must obtain a Certificate of Inspection from one of the participating jurisdictions of the Fire Marshal Association of Colorado (FMAC). Get more information, including a list of participating certification agencies in Colorado, [here](#).

### □ **City of Golden Sales Tax License & Collection**

GFM has an agreement with the City of Golden to streamline the sales tax process for our vendors. According to this agreement, GFM collects a 3% City of Golden sales tax on behalf of the vendors at the end of each market day and remits it to the City throughout the season. Therefore, vendors do not need to obtain a separate City of Golden sales tax license specifically for participating in the Golden Farmers Market.

However, some vendors who already operate within City limits outside of the Golden Farmers Market may already hold a City of Golden sales tax license. These vendors have the option to opt out of the 3% City of Golden sales tax collection by the GFM and instead remit the tax independently when filing their business taxes. If you possess a City of Golden sales tax license, please upload it via the designated form.

It's crucial that you notify market management if you choose not to have the GFM collect the tax on your behalf. This ensures the correct tax collection and remittance process is followed for your business. Failure to communicate this information may result in inconsistencies in your sales tax obligations.

### □ **SNAP/DUFB Contract**

**If you sell SNAP/DUFB -qualifying products**, you must sign the participation agreement.

### □ **Organic Certificate**

**If you sell organic products**, you must provide this certificate.

□ **Acknowledge Sustainability Agreement**

Sign the vendor letter and agree to adhere to the 2026 [Sustainable Event Guidelines](#).

□ **Submit Payment for Seasonal Enrollment Booth Fees**

Payment must be received by the deadline for the appropriate fee depending on your vendor category and level of participation.

□ **Signed Vendor Contract**

*I have read and agree to adhere to all Golden Farmers Market 2026 Vendor Handbook rules and regulations and comply with all Public Health & Safety Guidelines and State and Local laws. By digitally signing and submitting this application, and participating in the market, the vendor and/or their representative agree to the policies and procedures stated above and hereby release and forever discharge the Golden Chamber of Commerce, the City of Golden, their employees, volunteers, and the market managers from any responsibility, personal liability, claims, loss or damage arising out of, or in conjunction with, participation in the Golden Farmers Market 2026. The Golden Chamber of Commerce, the City of Golden, their employees, volunteers, and market managers shall be held harmless from and against any and all liabilities, suits, claims, damages, injuries and actions, theft, costs, and expenses of any kind or nature of anyone whatsoever relating to premises due to or arising out of any act, negligence, or neglect of the vendor, or any of their guests. Vendors assume all liability for their stand and products sold.*
